

## Change Your Password

If you are at school, you may easily change your login password by keying in **ctrl + alt + delete** while you are logged in.

This will bring up a screen that looks like this:

If you are not in the school building, you can still change your password by using Webmail.

Go to the North Iowa homepage @ <http://www.northiowa.org/>  
Choose Webmail on the right hand side of the page. Login.

Choose "Options" in the upper right hand corner of your Webmail, and go to Change Your Password. . .
