

Log In

Open a web browser (e.g. Internet Explorer).

Go to your school's SharePoint.

NOTE: Please contact tech support if you do not know the URL.

When a log in dialog box pops up, enter the following information:

Username: *your domain\your username*

NOTE: Please be sure to use the backslash. It is the one NOT on the question mark key.

Password: *your password*

These credentials are the same as you would use to log into a network computer or your email. Please contact tech support if you need more information.
