

# Boys

Boys are just one big show  
They try to impress you and let you know  
That they can do sports and have fun  
Boy, their burden must weigh a ton.  
When you're small they give you bugs  
And when you're bigger they give you hugs.  
They pull on my hair and chase me around  
And get my attention by making loud sounds  
They ain't nothin' but annoying twerps  
They just sit around and summon up burps.  
I don't know why big sis thinks  
You can win their hearts by kisses and winks  
If I ever wanted one of them boys  
All I'd have to do is scream, "Hey, look! TOYS!"

# Distra

They tell me I have ADD  
I guess if you want to put it that way, I do  
Yea, i get distracted in class...alot  
But its not like random stuff that catches my attention  
Just one thing in particular  
Him :]  
The teacher yells at me again  
"Pay attention Sam!"  
Well technically I am paying attention  
Just not to the teacher  
I suppose I should concentrate for a few minutes  
"This dude was famous for killing this guy and he died because..."  
Uh oh, concentration slipping again...  
I look over at him  
He looks so cute right now  
His eyes  
His hair  
His smile  
He looks up and catches me watching  
Crap! But he gives me a wide smile  
Come one...look away ani...concentrate...  
"SAM PAY ATTENTION!!!"  
Sorry teacher!  
I guess I'm a little distracted..... ;]
